Part 2. Read the passage and decide if the statements are True (T) or False (F) (1.0 m)

Model making is a wonderful way of spending time alone or even with your family. You can make models of many things in the world. But the most popular models are models of people, aircraft, and war machines like tanks or ships. Another very popular type of model making is architectural. It means that people make models of buildings and even groups of buildings. The first thing to do is to identify the item you like the most. It should be practical and affordable. For example, once you have decided that you would like to make a model plane, you could go to a hobby store in your neighbourhood and check out the different model planes available there. If you are new to this hobby, you should choose something simple to start with.
