Choose the letter A, B, C or D to answer these following questions "The Beauty and the Beast" is a heartfelt story about true love which transforms the Beast into a prince. The fairytale starts with a young girl who lived with her father and two sisters. They lived a good life in a big house but due to some unfortunate turn of events her father lost all his money. They were forced to move into a smaller house. The two sisters kept on grieving for their former life and Beauty kept her sadness for herself and tried her best to help her family.

One day the father found out there is a slight chance he could get back a part of his fortune when one of the ships got back. The two sisters demanded all sorts of thing but Beauty just wanted a single rose. On his way home, the father got lost and wandered into the Beast's castle. The Beast let him go under the condition of him sending one of his daughters to the castle.

Beauty's life in the castle was pleasant. She had her room and she was served. Unhappy about his appearance, the Beast never appeared. Beauty only heard his voice. As time passed by they started to love each other. One day, the Beast let her go home to look after her sick father. While she was taking care of her father, she had a dream about Beast dying. When she came back to the palace she found the Beast ill in his bed. She didn't want him to die and she told him she'll marry him.

Beast disappeared all of the sudden and its place was taken by a beautiful prince. He told her all about a fairy enchanting him and how the spell could have only been broken by a girl falling in love with him.
